ADOPTION OF AGENDA

The agenda was adopted as circulated.

OLD BUSINESS

Secondary Year-End Reporting

Management advised that all secondary schools have now been given the same schedule for year-end reporting and submission deadlines, and this information has been shared with the KTTA representatives. These changes resolve the issue around having enough time to complete the year-end work.

TTOC List

The KTTA representative advised they are aware there have been shortages this week and inquired about whether management is looking at hiring more. Management advised that the convocation at TRU today meant approximately 20 were unavailable. Offers of employment have been extended to 6 new TTOCs this week, and 15 more interviews will be conducted next week.

The representative asked if there is a plan in place for teachers who are owed time in lieu. Management advised this is the subject of a grievance and is working its way through the process at this time.

NEW BUSINESS

No new business.
