Question & Answer-

J. Dalsin- Curriculum website; there isn't a place for teachers to comment on reporting, only parents.

V. Calvert- FOIPOP; if you can't communicate using student's names, how does one respond to parent's emails?

M. Cauchon- perhaps ask parents to sign an 'email consent'.

G. Hafeli- bring these communication questions to the Joint Labour Liaison Committee to create a district wide form for all members to use?

F. Jorgenson- isn't any non-verbal communication against FOIPOP?

D. Martin- has the district committee met yet to decide on reporting practices> No.

J. Griffiths- can she send home student address/ID forms?

J. Dalsin- the district should send an email to all parents re FOIPOP guidelines.

C. McCaulley- can we not use a class dojo even for behaviour management?

J. Reid- 'porno' spam being received on Zimbra; this should be brought to the next Joint Labour Liaison committee meeting as the district ITechs should be blocking this.

J. Dalsin- told to send T. Smillie's 'scary clown' memo home with students; this was inappropriate and traumatic for young children.

A. Jensen- discussed with reps sending out a TTOC availability list (Nov.1, Feb. 1 and April 1st). Reps showed interest.
