New Positions Posted at: <http://www3.sd73.BC.ca/careers>

Please review postings and successful applicants on OASIS as this will be the last staffing email from the office until Spring 2017

A. Priority Measures Positions

The district has posted the first set of positions that were determined through the Priority Measures funding process to address class size, composition and specialist ratios. These positions are for Middle School (Bulletin No. 41) and Secondary (Bulletin No. 42).

Please ensure that you are aware of the following:

- 1) **Deadline** – the posting period is shortened and the postings close on **Thursday, January 26, 2017 at 4PM.**
- 2) **Corrections** - there are corrections to the Middle School (Bulletin No. 41) and Secondary (Bulletin No. 42) postings. The corrections are attached to the end of the postings in the attachment.

Teachers eligible to apply include:

- 1) Recall (or part time continuing / term certain wishing to add FTE)
- 2) Other (TTOC, Out of District)

For each of the types of position (continuing / term certain), the district should follow this process:

- 1) Priority Band – Recall (or PT wanting to add), Other (TTOC or Out of District)
- 2) Necessary Qualifications - teachers considered need the necessary qualifications for the position they are applying for
- 3) Seniority - of the list of teachers within each priority band who are qualified, the most senior is the successful applicant.

Note that if there are no qualified applicants for a position, the district can fill the position with the most senior or most qualified candidate, fill it internally, or they can re-post a position.

Challenge: If you applied for a position and the successful applicant had a lower priority status or less seniority, you can appeal that decision by emailing Rick Kienlein (District Principal - HR) at rkienlein@sd73.bc.ca and copying us at office@kttta.ca.

Please contact the KTTA office (250-554-1223 or office@kttta.ca) if you have any questions.

B. Elementary Positions

The district also posted some elementary positions that resulted from leaves of absence or vacancies. These positions (Bulletin No. 40 and Bulletin No. 43) will have the normal posting period so the postings close on **Friday, January 27, 2017 at 4PM.**

The same rules apply for these positions as noted above.
