

**The Kamloops Thompson Teachers' Association  
Mentorship Program  
2020-2021**

The Kamloops Thompson Teachers' Association has developed a mentorship program to support and encourage new teachers, including teachers with less than 5 years of teaching experience and teachers who are "new-to-role". Supporting mentoring opportunities contributes to success, development, well-being, and retention of new teachers.

Mentorship may provide you with the renewed inspiration, collaboration, mutual respect, and trust that you are looking for at this time in your career.

The Kamloops Thompson Teachers' Association Mentorship program is a voluntary professional partnership that is non-evaluative & non-remedial in nature. It builds on an appreciative respect for new teacher knowledge, initiative, commitment, and reflection. Funding for this program allows for up to 9 half day releases per team. Program administration is by the KTTA.

Applications for Mentees and Mentors will be accepted no later than **December 17<sup>th</sup>, 2020**.  
The program will begin in January 2021 and continue through to May 2021.
