

## The Kamloops Exploration Group (KEG)

The Kamloops Exploration Group (KEG) is hosting its annual lecture series, which has gone virtual. As a part of this, we ask our guest speakers to do classroom visits. KEG is offering FREE live interactive webinars for teachers of any grade. We are able to have up to 500 computers join, meaning... we can have many classes involved. This is the info we have posted on our website:

## Virtual Lectures in the Classroom

Times have changed, and so have we. KEG continues to utilize our guest speakers from the KEG Virtual Lecture Series to come to your classroom... virtually. Speakers can adapt lectures to age group. Once we have a confirmed time and date, we will post below. Any class/ group can join the webinar. If a date and time are not listed, please email [kamloopsexplorationgroup@gmail.com](mailto:kamloopsexplorationgroup@gmail.com) to register. More talks will be added. For more information about the speakers and talks, check out our [lecture series page](#).

Date	Time	Speaker	Title
Jan 27	1:00 PM	Philip Currie	Polar Dinosaurs
Feb 24	1:00 PM	Dr. Robert Young	Ice Age
		Dr. Catherine Hickson	Mount St. Helens
		Roger C. Paulen	Modern Glacial Concepts Applied to Indicator Mineral Dispersal Trains

*\*Please note talks are subject to change*

If you have an idea for a talk in your classroom, please let us know. We have many industry reps who could be available!
