

3. More than anything else, what is it that you believe you learned as a result of mentorship?

Comments:

4. What advice would you give Mentees as to how they may engage Mentors in supporting work related to their professional goals and growth?

Comments:

5. What suggestions do you have for the local in terms of how they organized and managed the Mentorship program?

Comments:

6. Please feel free to add any other comments here. Thank you for your valuable input!
