### ***Summer Message to Members***

We would like to wish all of you a restful and well-deserved summer holiday.

Thank you all for the wonderful work and advocacy you do with students every day - for your resilience and sacrifices.

Know that your work is appreciated and does make a difference in students' lives every day.

After a challenging year, please take time over the summer to focus on yourselves and re-energize.

#### **A. KTTA Transition**

We are excited about the transition in the KTTA office as Darcy Martin and Teri Allen-Innis will be taking over as President and 1st Vice President respectively.

The office has been in transition over the past week and we are looking forward to the new leadership in the KTTA.
