Read & Write is a dynamic literacy support toolbar that offers tools that help with everyday tasks such as:

- reading text out loud
- understanding unfamiliar words
- researching assignments
- proofreading written work

Access a robust digital tool that supports students' reading, writing and research skills across various languages and curricular areas. Empower students of all levels to learn more independently and reach their full potential.

Contact Elizabeth Webber (ewebber@sd73.bc.ca) if you have any questions.
